Louisiana Board of Ethics  
P.O. Box 4368  
Baton Rouge, LA 70821

To whom it may concern:

I, Joseph "Joe" Bishop, am asking the Board of Ethics for a waiver or reduction of the fees that has accumulated due to the filing of my Supplemental Campaign Finance Disclosure report. There was some confusion in the forms that were needing to be filed by the due date, February 16, 2016. The correct form was filed but I checked the wrong type of report. With the confusion, this made the report that was filed late and would appreciate any assistance in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Joe Bishop".
